

RIMS Benchmark Survey™ Online

RIMS Benchmark Survey™ Online

Use the latest, most up-to-date benchmarking data at any time with the ability to customize your benchmarking peer group. Use characteristics such as industry, location and demographics to define the set of companies most like your own. And since it's Online, you can access it anywhere at any time!

Benchmarking:

Know Where You Stand

- ✓ Compare your commercial insurance costs & coverage to your peers
- ✓ Confirm for senior management how your programs are structured and have changed over time
- ✓ Contrast your premiums, limits & retention levels to the industry, with verification by an independent source

Program Management

Make Your Policy Data Work For You

- ✓ Store & track entire portfolios of in-force and historical insurance programs in one place
- ✓ Display complex programs in easy-to-understand program charts
- ✓ Print schedules of insurance anytime
- ✓ Compare competing proposals, different policies, or policy renewals
- ✓ Display current financial ratings for each of your insurers

ADVx

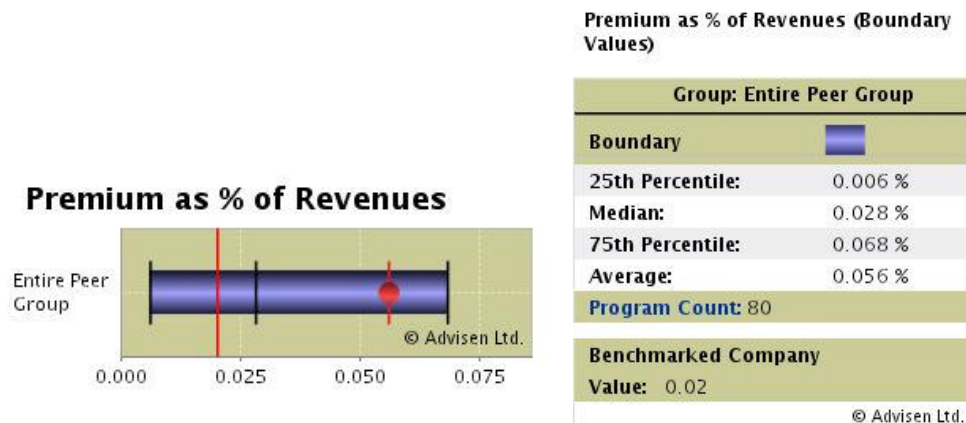

Stay on Top of the Trends

- ✓ Stay Ahead of the Curve with the ADVx pricing index
- ✓ ADVx, Advisen's premium pricing index, illustrates market-pricing trends.
- ✓ Simple yet powerful graphs show pricing trends for individual coverages, as well as a composite for the industry.

ADVx

ADVx provides a “birds-eye view” of how the Corporate Insurance Market is behaving. The graphs are segmented and updated on a quarterly basis going back to the First Quarter of 2003 up until the most recent quarter that just passed.

*Using Action Buttons you are able to download the Charts to:
Word, Excel and PDF*

To view these, as well as the additional features available in the RIMS Benchmark Survey™ Online, please a member of the RIMS team at 212-897-4800 or rimscore@advisen.com to make an appointment.
